

Engineering Technologist (full-time)

Internal/External Competition number: 25-56

The City of Quesnel is a vibrant community where 10,000 people live within the city limits and another 13,000 live in the surrounding area and call Quesnel home. Quesnel is located in the central interior of British Columbia. If you're moving here from one of the larger centres in the province, you'll be amazed by the affordable housing costs, accessible amenities, and short commutes, we're able to get out and enjoy the nature that surrounds us. From hockey to soccer, downhill skiing to aquafit and trail running, yoga to zumba, or a more rural lifestyle with hunting, fishing to peaceful snowshoeing, there is plenty to keep you and your family as busy as you want to be in Quesnel. Here, we live a well-rounded lifestyle; we don't believe in working hard for a life you can't enjoy. We are friendly and approachable. It's in our nature to welcome you and your family, warmly.

See our website www.quesnel.ca for a full job description.

This is a unionized position with an hourly wage of \$43.03, including a comprehensive benefit package and Municipal Pension Plan.

Posting Date: October 10, 2025 Application Deadline: October 27, 2025
