

Dragon Hill Reservoir – Demolition and Removal

Addendum #1

Question – Will the City provide a water source for use on this project?

Answer – Yes, the city bulk water station on North Star Rd will be available for use. Contractor will be responsible for setting up an account at city hall for access to the bulk water station. Water usage fees will be waived providing usage is solely for the project noted above. Contractor is to notify the city when water use is not required or when the project is complete.

RFP Extension – The RFP for this project has been extended to **April 30th, 2024**, at 2pm local time.
