Addendum #1

February 24, 2023

### **BUDGET:**

Response to the following inquiry: Is a specific budget that has been allocated towards this project?

The Council of the City of Quesnel has dedicated **\$100,000.00** from the provincial Covid Restart Grant to support vulnerable populations. In September of 2022 it was determined these funds would be used to engage a consultant to provide a review of services and housing options for this population in partnership with our First Nation Communities.
