1. Basic Provisions

1.1 Purpose

The purpose of this Bylaw is to provide a clear and efficient system of land use regulation for orderly **development**, and re-development of the **City** having regard for the provisions of the City's Official Community Plan.

1.2 Application

This Bylaw applies to all land, **buildings** and **structures** including the surface of water within the boundaries of the **City**.

1.3 Conformity

Land, including the surface of water, shall not be used and **buildings** and **structures** shall not be constructed, altered, located or used except as specifically permitted in this Bylaw.

1.4 Severability

If any section, subsection, sentence, clause or phrase of this Bylaw is for any reason held to be invalid by the decision of any court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remaining portions of this Bylaw.

1.5 Metric Units

Metric units are used for all measurements in this Bylaw. Approximate imperial equivalents are shown in parentheses following each metric measurements for convenience only and do not form part of this Bylaw.

1.6 Applicable Regulations

- 1.6.1 Where this Bylaw sets out two or more regulations that could apply to a situation, the most stringent regulation shall apply.
- 1.6.2 Where this Bylaw sets out both general and specific regulations that could apply to a situation, the specific regulation shall apply.

1.7 Exceptions

This Bylaw does not apply to the following:

- 1.7.1 Alterations, maintenance and repair to any **building** or **structure**, provided that such work does not require a building permit;
- 1.7.2 The use of a **building** or part thereof as a temporary polling station, election official's headquarters, candidate's campaign office, and any other official temporary use in connection with a federal, provincial, or municipal election, referendum or census;

- 1.7.3 A temporary structure which is incidental to the erection, maintenance, alteration, or sale of a **building, structure** or utility for which a building or **development** permit has been issued provided that it is removed within 30 days of project completion or one year following the issuance of a building permit;
- 1.7.4 Railways except private sidings, pipelines, and irrigation ditches, conduits, flumes, and pump houses;
- 1.7.5 Utility services underground or within statutory rights-of-way and utility poles and anchors; and
- 1.7.6 Construction, maintenance and repair of private walkways, pathways and driveways.

2. Administration

2.1 Inspection

All employees and officers of the **City** are authorized, in accordance with section 16 of the Community Charter, to enter on any property that is subject to regulation under this Bylaw to ascertain whether the provisions of this Bylaw are being complied with.

2.2 Violation

Every person who:

- 2.2.1 Violates any of the provisions of this Bylaw;
- 2.2.2 Causes or permits any act or thing to be done in contravention or violation of any of the provisions of this Bylaw;
- 2.2.3 Neglects or omits to do anything required under this Bylaw;
- 2.2.4 Carries out, causes or permits to be carried out any **development** in a manner prohibited by or contrary to any of the provisions of this Bylaw;

YARD, FRONT means that portion of the **lot** as shown on Fig. 3.2, extending from one **side lot line** to the other, between the **front lot line** and a line drawn parallel thereto at a distance prescribed by the regulations as otherwise provided for in this Bylaw. The depth of such **yard** shall be the perpendicular distance between the front lot line and the parallel line.

In the case of a double-fronting site served by a street at both the front and rear of the site there shall be two **front yards**.

Figure 3.2: Yard and Lot Line Illustration

YARD, REAR means that portion of the **lot** as shown on Fig. 3.2, extending from one **side lot line** to the other, between the **rear lot line** and a line drawn parallel thereto at a distance prescribed by the regulations as otherwise provided for in this Bylaw. The depth of such **yard** shall be the perpendicular distance between the **rear lot line** and the parallel line.

YARD, SIDE means that portion of the **lot** as shown of Fig. 3.2, which extends from a **front yard** to the **rear yard** between the **side lot line** and a line drawn parallel thereto at a distance prescribed by the regulations as otherwise provided for in this Bylaw.

ZONE means the areas into which the **City** is divided in accordance with the map or maps shown and attached to this Bylaw and for which specific regulations are hereinafter outlined for each area.

4. General Regulations

4.1 Applicability of General Regulations

Except as otherwise specified in this Bylaw, Section 4 applies to all **zones** established under this Bylaw.

4.2 Number of Principal Buildings per Lot

Only one **principal building** shall be permitted on any **lot** except as otherwise provided in this Bylaw.

4.3 Location and Siting of Buildings

4.3.1 No **principal building** shall be located in any required **front, side** or **rear yard**.

4.3.2 No **accessory building** shall be located in any required **front, side** or **rear yard**, except as provided in Section 4.4 of this Bylaw.

4.4 Setback Exceptions

4.4.1 No features shall project into the **setback** required by this Bylaw, except the following:

- (a) Steps and landings located in a required front or rear yard only, provided that such projections do not exceed 3 m (10 ft) or fifty percent (50%) of the depth of a required front or rear yard, whichever is less, beyond the siting requirements provided by this Bylaw, which otherwise apply to the **building** of which they are a part.
- (b) Eaves and gutters, cornices, sills, fire escapes, chimneys, canopies, bay windows or other similar features, provided that such projections do not exceed 0.6 m (2 ft) beyond the siting requirements provided by the Bylaw which otherwise apply to the **building** of which they are a part.
- (c) Balconies, outside basement or cellar entrances, sun-shades and canopies, provided that such projections do not exceed 1.2 m (4 ft) or fifty percent (50%) of the width of a required **side yard** or the depth of a required **front** or **rear yard**, whichever is less, beyond the siting requirements provided by this Bylaw, which otherwise apply to the **building** of which they are a part.
- (d) Fencing, given the structure conforms to other regulations including height and material, and it is not built directly on a property line.
- (e) An open patio, arbours and trellises, fish ponds, ornaments, flag poles or similar landscape features.
- (f) An at grade outdoor swimming pool, provided that such pool shall not be constructed within any required **front yard** nor nearer than 3 m (10 ft) to any **lot line**. Such pools shall be located within a fenced yard or be

surrounded by a **fence**.

- (g) Above ground swimming pools shall meet the siting requirements of **accessory buildings**.

4.5 Height and Grade

- 4.5.1 **Structures** such as chimney stacks, aerials, antennae, water towers, **wind energy devices**, **solar energy devices**, monuments, observation and transmission towers, farm silos, steeples, elevator housings, roof stairway entrances, ventilating equipment, skylights, or flagpoles for federal, provincial, or municipal flags shall not be considered for the purpose of determining the **height**.
- 4.5.2 No **building** or **structure** shall be erected in any **zone** without first obtaining the approval of the **Building Inspector** as to the proposed **finished grade**. The proposed **finished grade** shall to the extent possible, retain the natural contour of the land, minimize the necessity to use retaining walls and ensure positive drainage away from abutting properties.

4.6 Subdivision Requirements

- 4.6.1 On a **panhandle lot**, the “panhandle” part of the **lot** (the access route to the main portion of the lot) shall not be included in the **lot area** for the purpose of determining if the lot meets the minimum lot size. The end of the panhandle is deemed to be a line drawn perpendicular to the side of the panhandle at the point where the two sides of the panhandle are no longer parallel (or within 15° of being parallel) as shown in Figure 4.1.

The minimum width of a panhandle for a **lot** that:

- cannot be further subdivided is 9 m (29 ft.).
- can be further subdivided into two **lots** is 18 m (59 ft.).
- can be further subdivided into three or more **lots** is 20 m (65 ft.).

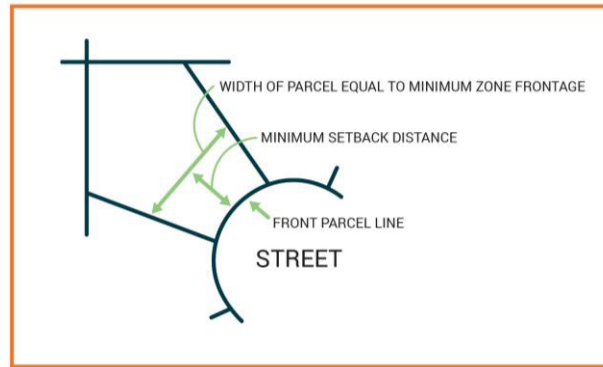

Figure 4.1: Panhandle Lot

- 4.6.2 No **lot** shall be reduced in area, either by the conveyance or alienation of any portion thereof or otherwise, so that any of the provisions and regulations of this Bylaw are not complied with.

- 4.6.3 As illustrated in Diagram 4.2, for **lots** fronting onto a cul-de-sac bulb, or located on a corner, the **lot frontage** is measured at the minimum **setback** distance from the **front lot line** rather than at the **front lot line**. The minimum width of the **lot** at the minimum **setback** shall be equivalent to or exceed the minimum **lot frontage** specified for that **zone** within this Bylaw.

Figure 4.2: Cul-De-Sac Lot Frontage

4.7 Minimum Lot Size – Septic Disposal System

4.7.1 For any **residential use**, commercial use, or **civic use**, no **lot** shall be created that is less than 1.0 ha in **lot area** unless it is serviced by a **community sanitary sewer system**.

4.8 Accessory Building or Structure – Residential Zones

- 4.8.1 Unless otherwise indicated in this bylaw, the following requirements apply to **accessory buildings or structures** in residential zones:
- 4.8.2 Not more than 2 **accessory buildings or structures** shall be permitted on each lot unless otherwise provided for in this.
- 4.8.3 An **accessory building or structure** is not permitted in front of the **principal building**, shall conform to the front setback of the principal building stipulated in the respective Zone, and shall be a minimum of 1 m (3ft) from the principal building.
- 4.8.4 An **accessory building or structure** shall not be used as a dwelling unit unless it is a permitted **carriage house** or **secondary dwelling** in which case the regulations of Section 4.20 of this bylaw apply.
- 4.8.5 An **accessory building or structure** shall not exceed 4.5 m (15 ft) and one **storey** in **height** except as otherwise provided for in this.
- 4.8.6 An **accessory building or structure** shall be placed at least 1.5 m (5 ft) from any **rear lot line**, where no **lane** is provided.
- 4.8.7 An **accessory building or structure** shall be placed at least 1 m (3 ft) from any **rear** or **exterior side lot line**, where a **lane** is provided, so long as the visibility requirements of Section 4.10 are met.

- 4.8.8 An **accessory building or structure** shall be placed at least 1 m (3 ft) from any **interior side lot line**.
- 4.8.9 Where no **lane** is provided, an **accessory building or structure** shall be placed so as to have the same **side yard** from any flanking **street** as the **principal building**, provided that the principal building conforms to the **yard** requirements as set out in this Bylaw.
- 4.8.10 An **accessory building or structure** shall be permitted to be sited in front of the permitted **principal building** if the property fronts Fraser River, Quesnel River, and Dragon Lake, all **buildings** must meet the required principal building front yard setbacks for the respective zone.

4.9 Accessory Building or Structure - Non-Residential Zones

- 4.9.1 An **accessory building or structure** in any non-residential **zone** is subject to the **development** regulations for that zone.
- 4.9.2 An **accessory building or structure** shall not be used as a **dwelling unit** except as otherwise provided for in this Bylaw.
- 4.9.3 Not more than 2 **accessory buildings or structures** shall be permitted on each **lot** unless otherwise provided for in this.
- 4.9.4 **Accessory buildings or structures** shall only be permitted on a **lot** when the **principal building or structure** is established on the lot.

4.10 Visibility at Intersections - Obstructions on Corners

- 4.10.1 In all **zones**, except as otherwise provided for in this Bylaw, there shall be no obstruction to the line of vision between 1 m and 3 m (3-10 ft) above the established **grade** of **streets** or **lanes** within the triangular shaded areas as shown on Figure 4.3.

Figure 4.3 Visibility at Intersections

- 4.10.2 Despite Section 4.10.1, no **building** or **structure** within a **C zone** or an **M zone** shall be constructed within the shaded area as shown in Figure 4.4 from **finished grade** to a **height** of 3 m (10 ft), except that one post or column with a finished diameter not exceeding 18 cm (7 in) may be placed within such triangular area described above.

Figure 4.4 Visibility at Intersections

4.11 Fencing

- 4.11.1 Subject to the visual clearance provisions of Section 4.10 of this Bylaw, the following height limitations shall apply to **fences**, walls, or **solid screens**:

- (a) except in the M and C zones, and except for required screening; fences and walls shall not exceed a height greater than 1.2 m (4 ft) in any required front yard or a height greater than 2.0 m (6 ft 7 in) on any part of a lot to the rear of a required front yard;
- (b) in the M and C **zones**, **fences**, walls, solid screens or hedges shall not exceed a **height** greater than 2.4 m (8 ft) on any part of the **lot**.

- 4.11.2 Section 4.11.1 shall not apply to open mesh or chain link **fences** erected on a **cemetery**, public playground, public recreation area, school areas, public utility or public works area. In these cases, fences shall not exceed a height greater than 3.0 m (10 ft).

- 4.11.3 Fencing must be kept in good repair.

- 4.11.4 Fencing around swimming pools shall be in accordance with the **City's Building Regulations Bylaw**, as amended from time to time.

- 4.11.5 No barbed wire fencing shall be allowed in any rural residential, residential or institutional zones except in the RR-1, A-1, and CR-1 zones for use in livestock enclosures.

- 4.11.6 No electric fencing shall be allowed in any rural residential, residential, or institutional **zones**, except when completely inside other fencing and for the purposes of **urban agriculture** uses.

4.12 Retaining Walls

- 4.12.1 Retaining walls on all residential **lots**, except those required as a condition of subdivision approval, must not exceed a **height** of 1.2 m (4 ft) measured from grade on the lower side, and must be constructed so that any retaining walls are spaced to provide at least a 1.2 m horizontal separation between them.
- 4.12.2 Despite Section 4.12.1, a retaining wall may be higher than 1.2 m (4 ft), measured from the **natural grade**, where the natural grade of the subject property is lower than the abutting property.
- 4.12.3 In the case of a retaining wall constructed in accordance with Section 4.12.1, the combined height of a **fence** on top of a retaining wall at the property line or within 1.2 m (4 ft) of the property line shall not exceed 2.0 m (6 ft 7 in), measured from **natural grade** at the abutting higher property.
- 4.12.4 Despite Section 4.12.3, where an affected property remains at **natural grade** and the subject property constructs a retaining wall and a **fence** within 1.2 m of the property line, the maximum **height** for a fence on the affected property shall be no greater than 1.8 m (6 ft) above the height of the retaining wall or 3.0 m (10 ft), whichever is less.
- 4.12.5 In the case of a retaining wall constructed in accordance with Section 4.12.2, the maximum height of a **fence**, or portion of retaining wall extending above the **natural grade** of the abutting higher property, or combination thereof, shall be 2.0 m (6 ft 7 in), measured from the natural grade of the abutting higher property.

4.13 Landscaping and Screening

- 4.13.1 Subject to Crime Prevention Through Environmental Design (CPTED) principles, the following landscaping and screening regulations shall apply:
- 4.13.2 A landscape buffer at least 2.0 m (6 ft 7 in) high and 3.0 m (10 ft) wide shall be provided and maintained along the boundary of a **lot** within M and C zones which contain **buildings** or **structures** and abut Residential or P-1 and P-2 **zones**.
- 4.13.3 The landscape buffer shall consist of a vegetative buffer and a **solid screen**. The vegetative buffer shall include deciduous trees or conifers spaced a maximum of 10 m apart. Deciduous trees shall have a minimum caliper of 60 mm (2 in) with a minimum clear stem 1.5 m (5 ft) high. Conifers shall be a minimum of 2.5 m (8 ft) high. The vegetative buffer shall also include shrubs planted along the **solid screen**, and the shrubs shall be at least No. 2 pot shrubs which are to be placed at a maximum spacing of 1.0 m (3 ft) on centre.
- 4.13.4 A **solid screen** of not less than 2.0 m (6 ft 7 in) high shall be provided and maintained around all outdoor storage areas in C, M and P **zones**.
- 4.13.5 A **solid screen** of not less than 2.0 m (6 ft 7 in) high shall be provided and maintained along the boundary of a **lot** within M **zones** which contain **buildings** or **structures** and abut C **zones**.

4.13.6 Despite the above regulations, **screening** will not be required along the property line in cases where a **structure** is built on the property line.

4.13.7 Despite the above regulations, **solid screening** will not be required for the points of ingress and egress and for a distance of 3 m (10 ft) on either side of the points of ingress and egress.

4.13.8 Except if found on lots containing **single detached dwellings** and **duplexes**, the following shall be screened from the view of highways and adjacent properties:

- (a) outdoor garbage containers exceeding 0.5 m³ (0.65 yards³) in capacity; and
- (b) outdoor storage areas; and
- (c) parking areas.

4.13.9 All areas of the **lot** not covered by approved **buildings**, display areas, storage areas, off-street parking and loading and manoeuvring aisles shall be landscaped.

4.13.10 All landscaping shall be maintained in good condition in conformance with an approved landscape plan. In the event of failure to comply, the **City** may enter upon the site and maintain the landscaping at the expense of the property owner, the cost of which may be added to the owner's taxes.

4.14 Rooftop Screen

4.14.1 Mechanical and electrical equipment on a rooftop in **zones** other than agricultural zones shall be screened from view from a public roadway or adjacent property at grade.

4.15 Floodplain Restrictions and Setbacks from Steams

4.15.1 Despite any other provisions of this Bylaw, no **building** or part thereof shall be constructed, reconstructed, moved, altered or extended, nor shall any **mobile home** or **structure** be located that contravenes the **City Floodplain Management Bylaw**, as amended from time to time.

The core requirements of the Floodplain Management Bylaw are set out below for information purposes only and do not form part of this Bylaw:

The following elevations are specified as **Flood Construction Levels (FCLs)**:

- (a) the Flood Construction Level for a specific property, as determined by interpolation from those Flood Levels shown on Schedules “A”, “B”, “C”, “D”, and “E” – Floodplain of the Fraser River, Quesnel River, and Baker Creek at Quesnel, attached hereto and forming part of this Bylaw;
- (b) 3.0 m above the Natural Boundary of the Fraser River, Quesnel River, and Baker Creek;
- (c) 1.5 m above the Natural Boundary of any other watercourse, lake, pond, swamp, marsh area or reservoir;

except that where more than one flood level is applicable, the higher elevation shall be the flood level.

The following distances are specified as **Floodplain Setbacks**:

- (a) 30 m from the Natural Boundary of the Fraser River, Quesnel River, and Baker Creek;
- (b) 15 m from the Natural Boundary of any other watercourse;
- (c) 7.5 m from the Natural Boundary of a lake, pond, swamp, marsh area or reservoir;

except that where more than one floodplain setback is applicable, the wider distance shall be the floodplain setback.

4.16 Stream Protection Leave Strips

4.16.1 In Residential **zones**, except Multi-Unit Residential zones, where there has been no previous **land disturbance**, **leave strips** are required along all **streams**. A minimum **leave strip** width of 15 m (49 ft), measured from the high water mark, is required on each side of the stream. In areas where land has been developed, the **setback** is reduced to a minimum of 10 m (33 ft) for fish bearing streams and 5.0 m (16 ft) for non-fish bearing streams.

4.16.2 In Industrial, Multiple-Unit, Civic and Commercial **zones** the **leave strip** shall be no less than 30 m (98 ft). The leave strip may be increased to minimize the impact on fisheries habitat along **streams** specified in the Official Community Plan. In areas of previous **development** the leave strips shall be a minimum of 15.0 m (49 ft) for fish bearing streams and a minimum of 10.0 m (33 ft) for non-fish bearing streams.

4.16.3 Notwithstanding Sections 4.16.1 and 4.16.2 **setbacks** from **streams** may be varied in accordance with the Sensitive Ecosystem Development Permit Area in the **City's** Official Community Plan.

4.17 Home Based Business

4.17.1 The purpose of the **home based businesses** regulation is to permit the establishment of small scale businesses within residential **dwelling units** provided they have no negative impacts on other residents within the **zone**.

4.17.2 All **home based businesses** within the **City** shall be divided into the following categories:

- (a) Type I (**Major Home Based Business**);

- (f) There shall be no generation of vehicular traffic or parking of vehicles in excess of that permitted for and customary to the **zone** in which the **home based business** is located.
- (g) In addition to any other parking requirements of this Bylaw, all parking relating to the **home based business** must be accommodated within the **lot** on which the home based business is located.
- (h) Operators of all **home based businesses** must obtain a business license.
- (i) Any **home based business** that represents a fire hazard by virtue of the manufacturing process or materials storage shall be prohibited.

- (j) There shall only be a maximum of one **home based business** permitted to operate from a single **dwelling unit**.

4.17.4 Type I (**Major Home Based Business**) are permitted in any **zone** permitting either a **single detached dwelling** or a **duplex** provided that:

- (a) the **home based business** shall be entirely enclosed within the **dwelling unit** or a permitted **accessory building**;
- (b) the **home based business** shall not occupy more than 25% of the **gross floor area** of the **dwelling unit** or **accessory building**, and in no case shall the combined area of the residence and the accessory building used to accommodate the home based business exceed 50 m² (538 ft²);
- (c) signage shall be as per the *Sign Bylaw*.
- (d) the **home based business** shall be conducted only by a resident or residents of the **dwelling unit** to which the home based business is accessory, and may employ a maximum of one non-resident person.
- (e) Major home based businesses are only permitted on lots that are limited in density to one single-detached dwelling or a duplex.

4.17.5 Type II (**Minor Home Based Business**) are permitted in any **zone** permitting a residential **dwelling unit** provided that:

- (a) the use of the premises for a **home based business** shall be confined to the incidental use of a telephone and records pertaining directly to that business;
- (b) no goods are to be displayed, stored or sold on the premises;
- (c) no alterations are made which change the character of the **dwelling unit**;
- (d) no signs are displayed on the lot;
- (e) the storage of vehicles or equipment associated with a home based business is not permitted on or near the **lot**;
- (f) in the case of rental premises, the business license applicant will be required to obtain the permission of the owner of the premises before a business license under this Section can be issued;
- (g) the **home based business** shall be conducted only by a resident or residents of the **dwelling unit** to which the home based business is accessory; and
- (h) the total area of the **home based business** shall not occupy more than 25% of the **gross floor area** of the **dwelling unit**, to a maximum area of 20 m².

4.17.6 Type III (Rural Home Based Business):

- (a) A Type III **home based business** is permitted in the CR-1 zone only if the **lot** is 2 ha (5 ac) or larger.
- (b) A Type III **home based business** is permitted in the A-1 and RR-1 zone only if the **lot** is 0.8 ha (2.0 ac) or larger.
- (c) The **home based business** shall be entirely enclosed within the **dwelling unit** or a permitted **accessory building**.
- (d) The area used to carry out the **home based business** shall not occupy more than 100 m² (1,076 ft²).
- (e) signage shall be as per the *Sign Bylaw*.
- (f) The **home based business** shall be conducted by a resident or residents of the **dwelling unit** to which the **home based business** is accessory, and may employ a maximum of two non-resident persons.

4.17.7 Permitted **home based businesses** include but are not limited to the following:

- (a) personal services, including tailoring and dress-making, sewing and knitting, flower arrangement, pottery making, private tutoring and similar occupations;
- (b) private music and dancing lessons, and similar individual instruction in **single detached dwellings** only;

 - (v) direct distributorships where customers do not enter the premises to inspect, purchase or take possession of the goods;
- (e) Spray painting or spray coating operations;
- (f) Tow truck operation; or
- (g) Welding or machine shops.

4.18 Bed and Breakfast Uses

4.18.1 A bed and breakfast use is permitted in all single detached dwellings, where:

- (a) meals may be prepared and served to patrons, but such activities shall not be conducted as a restaurant;
- (b) washroom facilities for the owner/occupier must be separate from those for the patrons, which may be common use facilities; and
- (c) **guest rooms** are rented for rental periods of less than one month.

4.18.2 A **bed and breakfast** use shall only be conducted within the principal **single detached dwelling**.

4.18.3 No more than 2 **guest rooms** are permitted in a **bed and breakfast** use.

4.18.4 No **guest room** in the **bed and breakfast** use shall have an area of more than 20 m² (215 ft²); a separate or ensuite washroom is not included as part of the area of the **guest room**.

4.18.5 No exterior evidence of the **bed and breakfast** use shall be visible from outside the **lot** on which the bed and breakfast is located, except for a permitted sign and the required parking.

4.18.6 One parking space per **guest room** is required in addition to those required for the principal **dwelling unit**.

4.19 Boarding and Lodging Uses

4.19.1 **Boarding use** is permitted in single detached dwellings and **duplex dwellings**.

4.19.2A boarding use shall:

- (a) be completely enclosed within a **building** used for a **residential use**; and
- (b) accommodate not more than 2 boarders, provided that the owner, occupier or lessee must reside in the same **dwelling unit**.

4.19.3 **Lodging use** is added to the list of permitted uses in all **residential zones** permitting **single detached dwellings** if an "L" notation shown on Schedule "B" as part of the identified zone classification indicates that an **accessory use** in the form of a lodging use is permitted on the properties so designated, subject to meeting the conditions of use of the **zone**. An "L" zoning classification on a property shall be established by rezoning the property to the "L" version of the parent zone.

4.19.4A **lodging use** shall:

- (a) be completely enclosed within a **building** used for a **residential use**; and
- (b) accommodate not more than 8 boarders, provided that the owner, occupier or lessee must reside in the same **dwelling unit**.
- (c) **lodging use** is permitted in **single detached dwellings** only and are limited to a maximum total of 10 residents.
- (d) **lodging uses** will use the parking formula prescribed for Convalescent home, private hospital, rest home.

4.20 Accessory Dwelling Units

4.20.1 Accessory Dwelling Units are **secondary dwelling; secondary suite dwelling; or carriage house**.

- (a) accessory dwellings cannot be strata titled and must constitute a single real estate entity with the associated principal dwelling unit and may not be otherwise subdivided.
- (b) one additional space per accessory dwelling unit must be added to the parking requirements per the parking requirements in section 5 of this bylaw.
- (c) shall have its own cooking and sanitary facilities (a sanitary facility means a bathroom contained within the dwelling unit).

- (d) for the purposes of calculating density an accessory dwelling unit would be considered 1 dwelling unit.

Secondary Dwelling

4.20.2 A **secondary dwelling** is subject to the following regulations:

- (a) shall be smaller than the **principal dwelling** up to a maximum **gross floor area** of 130 sq. m (1,400 sq. ft.)
- (b) shall be detached from principal **dwelling unit** and ancillary buildings.
- (c) shall not exceed the **height** of the **principal dwelling**.
- (d) must be connected to municipal services (water and sewer).
- (e) must be accessible from the frontage road and not rely on a laneway for public roadway access.
- (f) must be setback a minimum of 3 m (10 ft.) from the **principal building**, as measured from the foundations of each building.
- (g) shall conform to the **principal building** setbacks outlined in the corresponding **zone**. If the site abuts a lane, then it may have a **rear setback** of 0 m.
- (h) shall be located in the **rear yard** or **side yard**.

Secondary Suite Dwellings

4.20.3 A **secondary suite dwelling** is subject to the following regulations:

- (a) a **secondary suite dwelling** shall be considered an **accessory use**.
- (b) **secondary suite dwellings** must be located within a **single detached dwelling** or within the **principal dwelling units of a horizontal duplex**.

- (d) shall be located in the **rear yard** or **side yard**.
- (e) must be setback a minimum of 3 m (10 ft) from the **principal building**, as measured from the foundations of each building.
- (f) shall conform to the **principal building** setbacks outlined in the corresponding zone. If the site abuts a lane, then it may have a **rear setback** of 0 m.
- (g) the maximum permitted size for upper-level balconies and decks is 2.9 sq. m. Flat roofs may not be used for deck areas.

4.21 Uses Permitted in All Zones

4.21.1 The following uses are permitted throughout all **zones**:

- (a) ancillary uses and **buildings**;
- (b) **parks** and playgrounds;
- (c) **public utility** use (but not including sewage treatment plants or electrical substations or facilities covering an area greater than 250 m²); and
- (d) off-street parking required to serve the use on the **lot**.

4.22 General Prohibition

4.22.1 All uses except those specifically permitted by the Bylaw are prohibited.

4.22.2 **Mobile homes** being either a single or multiple section **detached dwelling unit** (certified as CSA Z240) with a steel frame for residential occupancy designed to be transportable on wheels shall only be permitted in an approved **mobile home park** or on lots as a **principle building** identified in Schedule C of this Bylaw and built as per the Hillside Hazard Development Permit Area.

4.22.3 Those **lots** that are located adjacent to any **lot zoned** M-3 (Airport) shall conform to Transport Canada's requirements for suitable adjacent uses that do not:

- (a) Cause dust, smoke or steam that could impact visibility;
- (b) Unduly attracts birds (i.e. standing water, outdoor waste, or landfills);

(c) Contain a structure that is of a height that it might penetrate the obstruction zone, the transition zone or the take-off and approach zone of the airport; or

(d) Cause or create electronic interference.

4.22.4 West Quesnel Land Stability lots identified in Schedule C of this bylaw are exempted from S. 481.3 of the Local Government Act as per Section 3.(1) of the Local government Zoning Regulation and are only permitted development in accordance with the Hillside Hazard Development Permit Area.

4.23 Cannabis

4.23.1 **Cannabis retail sales** are subject to the following:

(a) **Buildings and structures for cannabis retail sales**, as authorized under federal legislation shall be sited not less than:

- (i) 100 m from the nearest **lot line** of a site containing a school (grades K – 12).
- (ii) 100 m from the nearest **lot line** of a playground or playfield.
- (iii) 50 m from the nearest **lot line** of a residentially zoned property.

(b) No more than five (5) **cannabis retail sales businesses** will be permitted in the City of Quesnel.

4.23.2 Cannabis commercial production is subject to the following:

(a) **Buildings and structures for cannabis commercial production**, as authorized under federal legislation shall be sited not less than:

- (i) 300 m from the nearest **lot line** of a site containing a school (grades K-12), community centre, or **recreation and entertainment facility**;
 - (h) 100 m from the nearest **lot line** of a residentially **zoned** parcel of land and from all **buildings** with a residential dwelling;
 - (i) 30 m from the front and **exterior side lot lines**;
 - (j) 15 m from **rear** and **interior side lot lines**;
 - (k) Must have a minimum **lot frontage** of 20 m and the **lot frontage** must be directly adjacent to a public **street** or highway.
- (b) It shall not discharge or emit odorous or noxious matters or vapours or recurrently generate vibrations that impact neighbouring parcels.

4.24 Parking or Storage of Commercial Vehicles, Contractor Equipment

and Recreational Vehicles in Residential Zones

4.24.1 Within a Residential **zone**, a **lot** shall not be used for the parking and storage of a commercial vehicle, contractor's equipment, or recreational vehicle (boat, trailer, bus, or any similar vehicle, or equipment) unless totally concealed within a **building**, except the following which may be parked to the rear of the front wall of a **principal building**:

- (a) one truck or commercial vehicle not exceeding one tonne rated capacity;
- (b) one dismantled or wrecked vehicle for a period of not more than 30 days;
and
- (c) a combination of up to three (3) recreation vehicles each not exceeding 10 m (33 feet) in length, except on lots greater than 2023 m² (0.5 ac) where the length shall not exceed 12.2 m (40 ft).

4.24.2 The items listed in 4.24.1 a, b, and c may be parked in front of the front wall of the **principal building** under the following conditions:

- (a) no **lane** provides secondary access to the rear of the **lot**; and
- (b) the siting of the **principal building** does not allow the vehicle to be transported to the rear of the front wall of the principal building.

4.24.3 Vehicles exceeding 5,000 kilograms (11,023 lbs.) licensed G.V.W. are not permitted to be parked or stored either inside or outside a **building** or **structure** on any **lot** zoned for **residential use**, except for lots greater than 2023 m² (0.5 ac) in area the G.V.W. is increased to 13,000 kilograms (30,000 lbs.)

4.25 Shipping Containers

4.25.1 **Shipping containers** shall be considered an **accessory structure** and shall satisfy all of the following conditions:

- (a) Shall only be permitted in C-2, C-3, C-4, M-1, M-2, M-3, P-1, and P-2 **zones**;
- (b) Shall be no longer than 13 metres nor wider than 2.5 metres per **shipping container**;
- (c) Shall be subject to the siting and number requirements for **accessory buildings/structures** on the lot where the **shipping container** is located; and,
- (d) May be stacked provided that the height of the **shipping containers** combined shall not exceed the maximum **principal building** height on the **lot** where the **shipping container** is located.

4.26 Wrecked Vehicles

4.26.1 Storage of disabled or wrecked vehicles is not permitted in any **zone** unless specifically provided for in that zone, and as specifically hereinafter provided:

4.26.2 Disabled vehicles which are required for the operation of a business that is a permitted use and in such case the vehicles:

- (a) shall be completely enclosed within a building or approved walled or fenced area;
- (b) shall not be visible from outside the building or the walled or fenced area in which the vehicles are stored; and
- (c) stored within the walled or fenced area shall not exceed 5 at anytime.

4.26.3 One (1) uninsured vehicle may be stored inside a **building** used for residential purposes, provided that such vehicle is completely enclosed within a **building** and provided it can be moved on its own power.

4.27 Signs

4.27.1 No person shall construct, place, erect, display, alter, repair or relocate a sign except in accordance with the *Sign Bylaw*, as amended from time to time, or this Bylaw.

4.28 Urban Agriculture

4.28.1 Within those zones where the keeping of backyard **hens** is permitted:

- (a) A maximum of four (4) **hens** are permitted per lot.
- (b) No roosters are permitted.
- (c) **Hen** enclosures must be sited at least 1.0 metre from any lot line, and at least 6.0 metres from windows and doors of any single detached dwelling.
- (d) **Hen** enclosures are only permitted in rear yards.
- (e) The maximum area of a **hen** enclosure shall be 9.2 m² (100 ft²) with a maximum height of 2 metres.
- (f) The minimum area of a **hen** enclosure shall be 0.37 m² of coop space and 0.92 m² of enclosed run space per hen.

4.28.2 Within those zones where **hobby beekeeping** is permitted:

- (a) All **hobby beekeepers** must register with the BC Ministry of Agriculture, as is the case throughout BC and must retain proof of registration.
- (b) Every **hobby beekeeper** and every person who allows, permits or

establishes the keeping of bees on their property has the responsibility to:

- (i) Provide adequate water to prevent bees from seeking water in neighbouring bodies of water
 - (ii) Maintain, or take reasonable precautions to protect hives from disturbances from wildlife, pets, or vandalism. If disturbances occur, ensure that the bees are requeened;
- (c) In residential zones, a maximum of two (2) beehives on a parcel of land with an area less than 929 m² (10,000 ft²), and a maximum of four (4) beehives on a parcel of land with an area over 929 m² (10,000ft²).
- (d) To ensure appropriate flight path height, a beehive should be situated behind a solid fence or hedge that is 1.8 metres (6 ft.) in height running parallel to the lot line. If a fence is not present, beehives should be located at least 2.4 metres (8 ft.) off the ground (i.e. on a rear deck).
- (e) Hives shall be located so that the entrance to the hives faces away from adjacent property dwellings.
- (f) No person shall locate a beehive within 3.0 metres of any **lot line**.

4.28.3 All **urban agriculture** uses shall not emit odorous matters or create noise that causes a nuisance for neighbouring parcels.

5. Off Street Parking and Loading Spaces

5.1 Required Off Street Parking

- 5.1.1 Where any **development** is proposed, off-street vehicle parking (including parking for the disabled, and visitors) shall be provided by the property owner in accordance with the requirements of this Bylaw.

Explanatory note that does not form part of this Bylaw:

As per the Local Government Act, parking requirements do not apply with respect to land or a building or structure existing at the time this bylaw came into force, so long as the land, building or structure continues to be put to a use that does not require more parking or loading spaces than were required for the use existing at the time the bylaw came into force.

- 5.1.2 The number of off-street parking or loading spaces provided prior to the date of adoption of this Bylaw shall not be reduced below the applicable off-street parking requirements.
- 5.1.3 Where a **building** is used for more than one permitted use, the required number of off-street parking spaces shall be the sum of the requirements for each use.
- 5.1.4 A **building** for a commercial or **civic use** involving the movement of goods and materials by truck shall provide not less than one off-street loading space on the **lot**.

5.2 Access and Egress to Off-Street Parking

- 5.2.1 Off-street parking may have access to and egress from a **street** by not more than two driveways and must be reviewed and approved by the **City**. Allowance of two driveways for residential properties is only be considered for safety purposes.
- 5.2.2 Maximum width of a single-detached or **duplex** residential driveway is 7m.
- 5.2.3 Off-street parking may have access to and egress from a **lane** along the entire length of a **lot** line common to such **lane**.
- 5.2.4 Despite 5.2.1 and 5.2.2, off-street parking must be located a minimum distance of 6.0 m (20 ft.) from the corner of intersecting roads.

5.3 Location for Residential Zones

- 5.3.1 Except as provided in this Bylaw all required off-street parking shall be located on the **site** of the **development** served by the parking.
- 5.3.2 Off-street parking may be located in the required **front yard** given that all vehicles are parked on the permitted driveway as per section 5.2.2.

- 5.3.3 All visitor parking is to be easily accessible to the access points of the corresponding **development** and / or **buildings**.

5.4 Location for Non-Residential Zones

- 5.4.1 For all non-residential **zones** where the required parking spaces cannot be accommodated on the **lot** by reason of the size, shape or siting of the **building**, spaces reserved specifically for the requirements of such buildings may be located upon a separate lot within a radius of 200 m (656 ft) of the building, provided that a restrictive covenant pertaining to such parking use is registered against the title of such lot;
- 5.4.2 Where required off-street parking is located on a **site** separate from the **site** of the **development**:
- (a) the owner of the remote off-street parking site shall covenant with the **City** by agreement that the remote lands required for off-street parking shall be so used as long as required by this Bylaw, and the owner shall consent to pay the full cost of the preparation and registration of an agreement under Section 219 of the *Land Title Act* on the title to the remote lands; and
 - (b) remote parking shall be developed to the same standard as on-site parking.

5.5 Off-Street Loading

- 5.5.1 Off-street loading spaces shall each have a minimum loading space not less than 3 m (10 ft.) wide, 12 m (35 ft.) long and 4.26 m (14 ft.) high; or 3 m (10 ft.) across the full width of **rear lot line**;
- 5.5.2 Off-street loading spaces shall have vehicular access to and egress from a **street** or **lane**; and
- 5.5.3 Off-street loading spaces shall be sited at an elevation or elevations convenient to a service floor level in the **building**, or to a utility elevator serving each major floor level.

5.6 Calculating the Number of Required Off-Street Parking and Loading Spaces

- 5.6.1 The number of required off-street parking and loading spaces shall be calculated as follows:
- (a) The number of off-street parking spaces required for a use, is calculated according to the Off-Street Parking Spaces Table 5.1 of this section in which Column I sets out the use of a **building** or **lot** and Column II sets out the number of required parking spaces.

- (b) Where the calculation of the required off-street parking spaces results in a fraction, one parking space shall be provided in respect of that fraction.
- (c) Where a **building** contains more than one function, the required number of spaces shall be the sum of the requirements for each function.
- (d) Where seating accommodation is the basis for a unit of measurement under this section and consists of benches, pews, booths or similar seating accommodation, each 0.5 m (1.6 ft) of length of such seating shall be deemed to be one seat.

5.7 Parking Site Specification

5.7.1 All off-street parking required for all uses other than **single detached dwellings** and **duplex dwellings** shall meet the site specifications required in this Section.

5.7.2 In an RS-3 and a multi-unit **zone**, all required off-street parking for **residential uses**, shall be located a minimum of 1.0 m (3 ft) from any **side** or **rear lot line** and a minimum of 3 m (10 ft) from any **street** right-of-way.

5.7.3 Every off-street parking space shall:

- (a) be constructed so as to permit unobstructed access to and egress from each space at all times;
- (b) have a 'vehicle stop' to prevent vehicles from encroaching onto a **street**, **lane**, driveway, sidewalk, internal walkway, landscaping or **building**.

5.7.4 Every off-street **parking area** shall be:

- (a) graded in a manner such that all surface drainage is contained on-site

and directed either to approved planting areas or through a storm sewer system of manholes and rock pits or if a public storm system is available such properties shall be connected to the storm sewer;

- (b) surfaced with a permanent surface of asphalt, concrete or similar pavement so as to provide a surface that is durable and maintained for the purposes intended and so that all water is contained on-site or directed to an approved drainage system;
- (c) finished so that individual spaces, manoeuvring aisles, entrances and exits are clearly marked by curbs, painted lines, signs or other appropriate means. Such markings shall be maintained to ensure legibility;
- (d) designed so that all traffic manoeuvring into and out of parking spaces and aisles is carried out on-site;
- (e) adequately lit and so arranged that all direct rays of artificial light are reflected upon the parking area and not on any adjoining lot;
- (f) served by an access road having no more than an eight percent (8%) grade;
- (g) at least 1.5 m (5 ft.) from a window to a **habitable room**.

5.7.5 Off-street parking spaces and areas shall be designed to comply with the minimum standards shown in Figure 5.1 and Tables 5.2 and 5.3 unless otherwise specified in this Section.

5.7.6 Off-street **parking areas** shall provide and maintain a landscape screen along that portion of the perimeter of any open parking area abutting or opposite any **lot** in any RS and RM **zone**.

5.7.7 The layout for parking shall meet the standards as described in the below figure and tables.

5.8 Small Car Parking

5.8.1 Of the required number of parking spaces provided on a given **site**, a maximum of 20% may be designated to accommodate small car parking.

5.9 Electric Vehicle Parking and Charging Stations

5.9.1 For all multi-unit residential **buildings** and mixed-use buildings with three or more residential units, parking spaces shall accommodate electric vehicles in accordance with the following conditions:

- (a) A minimum of 5% of all required parking spaces shall be equipped with an AC Level 2 charging station at 240 V or higher; and
- (b) The electrical system within a parking garage shall be designed to accommodate the required number of electric vehicle charging stations.

5.10 Accessible Parking

- 5.10.1 Where more than 10 parking spaces are provided, every off-street **parking area** shall provide 2% of the required spaces as accessible spaces, with a minimum of one space, for the use of persons with disabilities. Each space shall comply with Section 9.4 of the National Standard of Canada document B651-18 (Accessible design for the built environment) as amended from time to time.

5.11 Bicycle Parking

- 5.11.1 The number of required bicycle parking spaces shall be 5% of the required vehicle parking space requirement for a C or RM zone with a minimum of 5 spaces for RM developments with 20 or more units.
- 5.11.2 Where the number of employees is used as a unit of measurement, it shall mean the greatest number of persons at work, at any time of the day or night in the **building** or for a particular use during any season of the year.
- 5.11.3 Where the calculation of the required off-street bicycle parking results in a fraction of one-half or less may be disregarded and any fraction of greater than one-half shall require one additional bicycle parking space.

5.12 General Provisions

- 5.12.1 Where provision of off-street parking or loading spaces is required by this Bylaw, a plan of the proposed **site** layout and landscape plan shall be included with the development permit application or **building** permit application, as the case may be. The site plan must be drawn to scale and must clearly illustrate the **lot** size and configuration, building locations, parking spaces, loading spaces, on-site circulation, access driveways, **landscaping**, **fences** and any other details relevant to the review of the **development** proposal.
- 5.12.2 Off-street parking spaces shall not be credited as off-street loading spaces or vice versa.

6. Establishment of Zones

6.1 Establishment of Zones

6.1.1 The area within the boundaries of the **City** shall be divided into the **zones** identified in Column I and described in Column II of Table 6.1.

6.2 Zone Title

The correct name of each **zone** provided for in this Bylaw is set out in Column I of Table 6.1 and the inclusion of the names contained in Column II of Table 6.1 is for convenience only.

6.3 Location of Zones

The location of each **zone** is established on Schedule B, the Zoning Map, of this Bylaw.

6.4 Zone Boundaries

- 6.4.1 Where a **zone** boundary is shown on Schedule B, the Zoning Map, as following a highway or rail right-of-way, the centre line of the highway or right-of-way shall be the zone boundary.
- 6.4.2 Where the **zone** boundary does not follow a legally defined line, and where the distances are not specifically indicated, the location of the zoning boundary shall be determined by scaling from the Zoning Map.
- 6.4.3 When a **zone** boundary is designated on the Zoning Map as following the **City** boundaries of the City, the City boundary shall be the zone boundary.
- 6.4.4 When a **zone** boundary is designated on the Zoning Map as following the boundary of a **lot**, the lot boundary shall be the zone boundary.
- 6.4.5 When a **zone** boundary is designated on the Zoning Map as following the shore line of a lake, pond or similar standing body of water the **natural boundary** of that lake, pond or similar standing body of water shall be the zone boundary.
- 6.4.6 Where land that originally formed part of a **lane** or **street** is consolidated to a **lot**, such lane or street shall be deemed to have the same **zone** designation as the lot.
- 6.4.7 Where Schedule B, the Zoning Map, does not designate land as a specific **zone**, the zone that applies to the undesignated land is the A-1 **zone**.

6.5 Zone Regulations

- 6.5.1 The regulations table sets out the regulations that apply to the **zone** referred to in the title of the table, shown as "Regulations Table for 'X' Zone", where 'X' is replaced by the name of the subject zone.

7.A-1 – Agriculture

The purpose is to provide a **zone** for rural areas and **agricultural uses** as well as other complementary uses suitable in an agricultural setting.

7.1 Principal Uses

The following **principal uses** and no others are permitted in the A-1 **Zone**:

- (a) **abattoir.**
- (b) **agricultural uses.**
- (c) **agri-tourism.**
- (d) **cannabis commercial production.**
- (e) **single detached dwelling.**

7.2 Accessory Uses

The following uses and no others are permitted as **accessory uses** in the A-1 **Zone**:

- (a) **accessory buildings or structures.**
- (b) **bed and breakfast.**
- (c) **caretaker dwelling unit** for farm help.
- (d) **carriage house dwelling.**
- (e) **greenhouse and plant nursery.**
- (f) **horticulture.**
- (g) **major home based business.**
- (h) **minor home based business.**
- (i) **rural home based business.**
- (j) **secondary dwelling.**
- (k) **secondary suite dwelling.**

7.3 Regulations

(b) interior side lot line	7.5 m (25 ft)
(c) exterior side lot line	7.5 m (25 ft)
(d) rear lot line	7.5 m (25 ft)

7.4 Other Regulations

7.4.1 Notwithstanding Section 7.3.6 above, **cannabis commercial production** uses shall be subject to those siting regulations located in Section 4.23 of this Bylaw.

7.4.2 There shall be no limit to the number of **accessory buildings or structures**.

8.RR-1 – Residential Reserve

The purpose is to provide a **zone** for land with minimum **development** but future potential for country residential **development** and complementary uses on larger **lots** in areas of high natural amenity and limited urban services.

8.1 Principal Uses

The following **principal uses** and no others are permitted in the RR-1 **Zone**:

- (a) **agriculture use.**
- (b) **single detached dwelling.**

8.2 Accessory Uses

The following uses and no others are permitted as **accessory uses** in the RR-1 **Zone**:

- (a) **accessory buildings or structures.**
- (b) **bed and breakfast.**
- (c) **major home based business.**
- (d) **minor home based business.**
- (e) **rural home based business.**
- (f) **secondary suite dwelling.**
- (g) **secondary dwelling** (if property is fully serviced by community systems).
- (h) **carriage house dwelling** (if property is fully serviced by community systems).

8.4 Other Regulations

8.4.1 There shall be no limited to the number of **accessory buildings** for agriculture

9.CR-1 – Country Residential

The purpose is to provide a **zone** for country residential **development** and complementary uses on larger **lots** in areas of high natural amenity and limited urban services.

9.1 Principal Uses

The following **principal uses** and no others are permitted in the CR-1 **Zone**:

- (a) **single-detached dwelling;**
- (b) **duplex;**
- (c) **triplex;**
- (d) **fourplex;**
- (e) **group home dwelling.**

9.2 Accessory Uses

The following uses and no others are permitted as **accessory uses** in the CR-1 **Zone**:

- (a) **accessory buildings or structures.**
- (b) **agricultural uses** (except for **intensive agriculture**), ancillary to a **principal use**, on **lots** greater than 2 ha (5.0 ac).
- (c) **bed and breakfast.**
- (d) **carriage house dwelling.**
- (e) **community care facility.**
- (f) **major home based business.**
- (g) **minor home based business.**
- (h) **rural home based business** on **lots** greater than 2 ha (5.0 ac).
- (i) **secondary dwelling.**
- (j) **secondary suite dwelling.**
- (k) **urban agriculture.**
- (l) **horticulture**
- (m) **hobby farms**

9.3 Regulations

9.4 Other Regulations

9.4.1 Maximum density restricted to a **single-detached dwelling** and **secondary suite dwelling** where no community sewer.

9.4.2 Properties may have up to 4 **principal buildings** subject to 9.4.3.

9.4.3 Lots shown on Schedule C to this bylaw are limited to one **principal building**.

9.4.4 The **gross floor area** of an **accessory building** or structure is as follows:

- (a) 150 m² (1615 ft²) for **lots** less than 2 ha (4.94 ac).
- (b) 278 m² (2992 ft²) for **lots** greater than or equal to 2 ha (4.94ac)

10. Is REPEALED

Consolidated Version

11. RS-1 – Urban Residential

The purpose is to provide a **zone** for **residential dwellings** and compatible secondary uses, on serviced urban **lots**.

11.1 Principal Uses

The following **principal uses** and no others are permitted in the RS-1 **Zone**:

- (a) **single detached dwelling.**
- (b) **duplex**
- (c) **triplex**
- (d) **fourplex**
- (e) **townhouse**
- (f) **group home dwelling**

11.4 Other Regulations

11.4.1 Notwithstanding Sections 11.1 above, on only Lot 162 Plan 22680 DL 1227, the use of **group day care** is permitted as a **principal** use.

11.4.2 Lots are permitted up to 4 **principal buildings** in this subject to 11.4.3.

11.4.3 Lots shown on Schedule C to this bylaw are limited to one **Principal Building** in this zone.

12. RS-2 – Suburban Residential

The purpose is to provide a zone for residential dwellings in areas with larger lots in serviced areas.

12.1 Principal Uses

The following **principal uses** and no others are permitted in the R-2 **Zone**:

- (a) **single detached dwelling**
- (b) **duplex dwelling**
- (c) **triplex**
- (d) **fourplex**
- (e) **townhouse**
- (f) **group home dwelling**

12.2 Accessory Uses

The following uses and no others are permitted as **accessory uses** in the R-2 **Zone**:

- (a) **accessory buildings or structures.**
- (b) **carriage house dwelling.**
- (c) **community care facility.**
- (d) **major home based business.**
- (e) **minor home based business.**
- (f) **secondary dwelling.**
- (g) **secondary suite dwelling.**
- (h) **urban agriculture.**
