

Backyard Campfires and Firepits

Sitting around a firepit in your own backyard is a fantastic way to spend an evening. Did you know that both woodburning and gas firepits are approved for the Quesnel Area? Keep your property, neighbours and surrounding forests safe by following the City's guidelines for a legal backyard woodburning fire.

- **MUST** be on your property. There is no burning on City property without a permit.
- **MUST** be no larger than 0.5 meters by 0.5 meters
- **MUST** be contained by a firebreak
- **MUST** have a responsible and competent attendant
- **MUST** have 8 litres of water within 2 meters of fire
- **ONLY** use dry, seasoned wood or charcoal briquettes (**NO** yard debris, garbage etc.)
