

# Quesnel Future of Forestry Think Tank

May 2-3, 2023

# Vision

Quesnel and area is a hub of innovation in forest and land management, manufacturing of forest products and workforce development

# Forestry Cluster: Turning Ideas into Action

Based on all you've heard over the last two days:

- What can your organization commit to?
- What actions can we take in the Quesnel area?
- What's most probable or most feasible?

Four tables to rotate to:

- Forest and land resource
- Manufacturing facilities and products
- Workforce and Training
- What else is missing?
